The purpose of Virginia RC Helicopter Association is to promote the building and flying of rotary wing aircraft in a friendly environment that stresses fun, learning and respect. The club accomplishes this purpose by:

1. Providing organized educational and social activities relating to model helicopters.
2. Representing the hobby and club at both helicopter events, online forums and other hobby related venues.

In addition I have read and understand the Academy of Model Aeronautics (AMA) Safety Code. I will maintain my membership in the AMA.

I hereby subscribe to the purposes of the Virginia RC Helicopter Association, and apply for membership.
